OFFICE OF PETITIONS

Attached is a copy of the official Postcard received from the PTO in the above-identified application for which issuance of a corrected filing date is respectfully requested.

There is an error with respect to the following data, which is incorrectly entered. We filed the above referenced application on December 4, 2001 not December 7, 2001 as indicated on the returned postcard and the Filing Receipt we have now received.

Please correct the filing date so that reads December 4, 2001. I have enclosed a copy of the Express Mail Label and the Application Transmittal verifying the above date, and a copy of the Filing Receipt with the changes indicated in red.

ISSUANCE OF ADDITIONAL, OR CORRECTED, FILING RECEIPTS:

OIPE currently issues a filing receipt at the time an application is accorded a filing date, and issues an additional filing receipt, without charge, if the filing fee and/or oath or declaration are submitted after the filing date of the application. The PTO also issues a corrected filing receipt, without charge (regardless of fault), when correction of a filing receipt is requested by the applicant.

OIPE has recently taken steps to expedite the process of handling requests for corrected filing receipts. Previously, it was necessary to locate and retrieve the application file in order to make corrections. The new process involves viewing a scanned image of the application documents, as filed, thereby eliminating the need to retrieve the application file. If desired corrections and/or changes to a filing receipt are based on information that was not present in, or has changed from, the application, as filed, applicant should submit supporting documents (e.g., the executed declaration) and a marked-up copy of the filing receipt along with the request for corrections. Whenever possible, applicants should submit requests for corrected filing receipts along with the reply to an OIPE notice since an additional filing receipt is automatically generated when the reply is processed.
